

COOPERATIVE PURCHASING

Reference: MCL 124.1 et. seq.

The Board of Directors recognizes the advantages of centralized purchasing since buying in volume tends to maximize value for each dollar spent. The Board, therefore, encourages the Educational Service Provider to seek advantages in savings that may accrue to the Academy through joint agreements with the governing body of other governmental units for the purchase of supplies, equipment, or services.

The Board authorizes the Educational Service Provider to negotiate joint purchase agreements with governmental contracting units for services, supplies, and equipment required from time to time by the Board, which the Board may otherwise lawfully purchase for itself. Such purchase agreements must be in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

Cooperative or joint purchases require an agreement, approved by the Board and the participating contracting body, that specifies the categories of equipment and supplies to be purchased; the manner of advertising for bids and of awarding contracts; the method of payment by each participating party; and such other matters as may be deemed necessary to carry out the purposes of the agreement. Such agreements are subject to all legal bidding requirements.
